

OGC Surface Sanitiser

Product Description

OGC Surface Sanitiser is a premixed CLEANER DEODORISER DISINFECTANT

Powerful and fast working triple-action cleaner, deodoriser, disinfectant that is safe to use on all washable surfaces. It provides rapid dispersion grease and dirt and provides high residual sanitisation.

Recommended for COVID-19 Environmental Cleaning for Workplace (Non- Healthcare Settings) as per Australian Government recommendations.

Application

OGC Surface Sanitiser is specifically designed for common areas, bathroom and kitchens where combined cleaning, deodorising and sanitising is required.

Do not dilute further, apply to surfaces with sprayer, mop or sponge. Rinse surfaces to be in contact with food, or floors that are to be polished, with clean water. Other surfaces do not require rinsing.
